

## Directions to Fr. Klug Center

### Annunciation Church, Clifton

From I-75, take the Hopple Street exit and turn left from the expressway onto Hopple Street. Go across Central Parkway and Hopple becomes Martin Luther King Drive.

Continue (east) on MLK Drive about half a mile to the second traffic light on MLK, which is an intersection behind Good Samaritan Hospital. Turn left onto Dixmyth Avenue (not a hard left!) and continue to Clifton Avenue (0.3 mile).

Turn left onto Clifton Avenue and continue about 0.4 mile to Resor Avenue. Turn left onto Resor and again left into the parking lot of Annunciation Church.

You will know when you see the church—it faces Clifton and looks like the Greek Parthenon!
